

Balanced Scorecards for HR Training Course

Professional Development Training Course Outline

Category	Human Resource Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

The Balanced Scorecard for HR is a strategic performance management framework that aligns human capital strategy, talent analytics, and organizational performance with corporate objectives. In today's data-driven and digitally transformed workplaces, HR leaders must move beyond administrative functions and adopt HR metrics dashboards, workforce analytics, and strategy execution models to demonstrate measurable business impact. The HR Balanced Scorecard integrates financial performance, employee engagement, internal process optimization, and learning & development KPIs to ensure sustainable growth and competitive advantage.

Balanced Scorecards for HR Training Course equips HR professionals with the tools to design, implement, and optimize HR scorecards, leveraging AI-powered HR analytics, predictive workforce planning, digital HR transformation, KPI mapping, and performance governance frameworks. Participants will gain practical insights through real-world case studies, interactive workshops, and strategic simulations to drive ROI-focused HR strategy, strengthen organizational agility, and build a high-performance culture aligned with enterprise objectives.
