

Building an Evaluation Culture in M&E Training Course

Professional Development Training Course Outline

Category	Monitoring and Evaluation	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Building a strong evaluation culture is no longer optional for organizations seeking accountability, learning, adaptive management, and evidence-based decision-making. Building Organizational M&E Capacity Training Course equips organizations with the mindset, systems, leadership practices, and incentives required to embed evaluation into everyday operations. The course emphasizes organizational learning, utilization-focused evaluation, performance management, and results-based accountability, ensuring evaluations are not just conducted but actively used to improve programs and policies.

Through practical tools, real-world case studies, and participatory learning, participants will explore how to shift from compliance-driven M&E to learning-oriented, adaptive, and value-driven evaluation systems. The course addresses leadership buy-in, staff capacity, data use culture, ethical evaluation practices, and continuous improvement mechanisms, enabling organizations to institutionalize evaluation as a core organizational competency aligned with strategic goals and donor expectations.
