

Coaching Micro-Entrepreneurs: Financial & Business Skills Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Coaching Micro-Entrepreneurs: Financial & Business Skills Training Course is designed to empower small business owners and micro-entrepreneurs with essential skills in financial management, strategic business planning, and entrepreneurial growth. This training emphasizes practical learning, interactive coaching, and actionable strategies to enhance business performance and sustainability. Participants will gain a comprehensive understanding of business operations, financial literacy, market analysis, and customer engagement, which are crucial for thriving in competitive micro-enterprise environments.

This course integrates modern business tools, case studies, and experiential exercises to ensure participants can immediately apply knowledge to real-world scenarios. By focusing on capacity building and skill enhancement, the program enables micro-entrepreneurs to improve financial decision-making, expand business operations, and strengthen leadership capabilities. With targeted coaching and structured learning, this training fosters innovation, resilience, and profitability among emerging business owners.
