

Coaching Skills for Public Sector Leaders Training Course

Professional Development Training Course Outline

Category	Public Sector Innovation	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Coaching skills have become a critical competency for public sector leaders seeking to enhance employee performance, engagement, and organizational impact. Effective coaching empowers leaders to cultivate high-performing teams, drive innovation, and foster a culture of continuous learning. Coaching Skills for Public Sector Leaders Training Course provides practical strategies, tools, and techniques to develop coaching capabilities tailored to the public sector environment, addressing the unique challenges of governance, bureaucracy, and stakeholder management. Participants will learn how to establish trust, provide constructive feedback, and support professional growth across diverse teams.

The program also emphasizes the integration of coaching frameworks into leadership practice, performance management, and strategic initiatives. Participants will engage in experiential learning, role-plays, and case studies that illustrate real-world applications of coaching in public institutions. By mastering these skills, leaders can enhance team collaboration, improve decision-making, and strengthen organizational accountability and public service delivery.

Programme Curriculum

Coaching Skills for Public Sector Leaders Training Course

Introduction

Coaching skills have become a critical competency for public sector leaders seeking to enhance employee performance, engagement, and organizational impact. Effective coaching empowers leaders to cultivate high-performing teams, drive innovation, and foster a culture of continuous learning. Coaching Skills for Public Sector Leaders Training Course provides practical strategies, tools, and techniques to develop coaching capabilities tailored to the public sector environment, addressing the unique challenges of governance,

bureaucracy, and stakeholder management. Participants will learn how to establish trust, provide constructive feedback, and support professional growth across diverse teams.

The program also emphasizes the integration of coaching frameworks into leadership practice, performance management, and strategic initiatives. Participants will engage in experiential learning, role-plays, and case studies that illustrate real-world applications of coaching in public institutions. By mastering these skills, leaders can enhance team collaboration, improve decision-making, and strengthen organizational accountability and public service delivery.

- Supporting teams during organizational transformations
- Building resilience and adaptability in staff
- Addressing resistance to change through coaching conversations
- Aligning coaching strategies with strategic initiatives
- Monitoring and evaluating change adoption progress
- Case Study: Coaching leaders to successfully implement new public policies

Module 9: Feedback and Performance Review Techniques

- Providing objective and constructive feedback
- Incorporating coaching in performance appraisal processes
- Balancing praise and developmental guidance

- Encouraging self-assessment and reflection
- Integrating feedback loops into organizational culture
- Case Study: Using coaching to improve annual performance review outcomes

Module 10: Coaching for Diversity and Inclusion

- Understanding unconscious bias and its impact on teams
- Promoting equitable opportunities through coaching
- Adapting coaching to diverse backgrounds and work styles
- Encouraging inclusive decision-making and collaboration
- Measuring the impact of coaching on inclusivity
- Case Study: Coaching diverse teams to enhance inclusion and equity

Module 11: Ethical Coaching Practices

- Defining ethical standards in coaching
- Maintaining confidentiality and integrity
- Avoiding conflicts of interest and favoritism
- Encouraging transparency and trust
- Promoting accountability and responsible leadership
- Case Study: Resolving ethical dilemmas through coaching interventions

Module 12: Coaching Tools and Techniques

- Assessment tools and diagnostic instruments
- Questioning frameworks and listening guides
- Coaching journals and progress tracking templates
- Digital tools for virtual coaching sessions
- Role-playing and simulation techniques
- Case Study: Using digital tools to track coaching progress in a public sector team

Module 13: Embedding Coaching in Organizational Culture

- Integrating coaching into leadership development programs
- Promoting peer-to-peer coaching initiatives
- Establishing coaching champions and networks
- Aligning coaching with organizational strategy and values
- Evaluating cultural adoption and sustainability
- Case Study: Embedding coaching practices in a municipal government organization

Module 14: Measuring Coaching Impact

- Key performance indicators for coaching effectiveness
- Assessing individual, team, and organizational outcomes
- Collecting and analyzing coaching feedback data
- Adjusting coaching strategies based on impact measurement
- Reporting coaching outcomes to senior management
- Case Study: Evaluating coaching impact on employee engagement and productivity

Module 15: Action Planning and Continuous Improvement

- Developing personalized action plans for coaching implementation
- Building continuous learning and development cycles
- Incorporating feedback for ongoing coaching refinement
- Sustaining coaching momentum across teams and departments
- Scaling coaching practices within the public sector institution
- Case Study: Launching an institution-wide coaching initiative

Training Methodology

- Instructor-led presentations and conceptual briefings
- Practical exercises, role-plays, and simulations
- Group discussions and peer learning activities
- Case study analysis and real-world applications
- Tools, templates, and frameworks for implementation
- Continuous feedback, assessment, and coaching practice sessions
