|          |              |               |                         |
|----------|--------------|---------------|-------------------------|
| Category | Trade Unions | Duration      | 10 Days                 |
| Base Fee | \$3,000 USD  | Delivery Mode | Online / On-site Hybrid |

## Course Introduction

In today's rapidly evolving industrial and socio-economic landscape, Coalition Building and Labour Alliances have become essential strategies for achieving workforce sustainability, social dialogue, collective bargaining effectiveness, industrial harmony, inclusive leadership, stakeholder engagement, and policy advocacy. Coalition Building and Labour Alliances Training Course equips participants with practical frameworks and actionable tools to strengthen partnerships, negotiate shared interests, and develop resilient labour coalitions capable of influencing organizational and national labour agendas.

The course emphasizes modern approaches to multi-stakeholder collaboration, labour diplomacy, conflict resolution, strategic communication, social partnership development, union-management cooperation, advocacy campaigns, workforce resilience, sustainable employment policies, and organizational transformation. Through interactive learning, real-world case studies, simulations, and collaborative exercises, participants will gain the competencies required to establish impactful labour alliances, improve negotiation outcomes, foster trust among stakeholders, and build sustainable coalitions that drive innovation, productivity, and social justice within both public and private sector environments.

## Programme Curriculum

### Coalition Building and Labour Alliances Training Course

#### Introduction

In today's rapidly evolving industrial and socio-economic landscape, Coalition Building and Labour Alliances have become essential strategies for achieving workforce sustainability, social dialogue, collective bargaining effectiveness, industrial harmony, inclusive leadership, stakeholder engagement, and policy advocacy. Coalition Building and Labour Alliances Training Course equips participants with practical frameworks and actionable tools to strengthen partnerships, negotiate shared interests, and develop resilient labour coalitions capable of

influencing organizational and national labour agendas.

The course emphasizes modern approaches to multi-stakeholder collaboration, labour diplomacy, conflict resolution, strategic communication, social partnership development, union-management cooperation, advocacy campaigns, workforce resilience, sustainable employment policies, and organizational transformation. Through interactive learning, real-world case studies, simulations, and collaborative exercises, participants will gain the competencies required to establish impactful labour alliances, improve negotiation outcomes, foster trust among stakeholders, and build sustainable coalitions that drive innovation, productivity, and social justice within both public and private sector environments.

### **Course Duration**

10 Days
