

Inclusive Recruitment Design Training Course

Professional Development Training Course Outline

Category	Human Resource Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s competitive business environment, organizations are recognizing that diversity, equity, and inclusion (DEI) are not just ethical imperatives but strategic advantages. Inclusive Recruitment Design Training Course equips HR professionals, hiring managers, and talent acquisition specialists with actionable strategies to attract, engage, and retain a diverse workforce. Participants will gain insights into bias-free recruitment processes, equitable hiring practices, and inclusive employer branding, ensuring organizations are prepared to thrive in an increasingly diverse global market.

This course emphasizes data-driven recruitment, AI-assisted talent sourcing, accessibility-focused design, and cultural competency. Through real-world case studies, interactive workshops, and hands-on exercises, learners will master how to design job descriptions, implement fair assessment tools, and foster an inclusive candidate experience. By bridging strategy with execution, this program transforms traditional hiring practices into inclusive, innovative, and competitive talent acquisition strategies.
