

International Labour Standards and ILO Conventions Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

International Labour Standards and ILO Conventions Training Course

Introduction

International Labour Standards and International Labour Organization (ILO) Conventions play a transformative role in promoting decent work, social justice, human rights at work, and sustainable economic development across global industries. International Labour Standards and ILO Conventions Training Course equips participants with practical knowledge and strategic skills to interpret, implement, monitor, and enforce International Labour Standards and ILO Conventions in both public and private sector institutions.

The course is designed to address emerging workplace challenges including gig economy regulation, occupational health and safety, forced labour prevention, gender equality, collective bargaining, migration governance, and future of work policies. Participants will gain deep insights into labour rights frameworks, compliance mechanisms, labour inspection systems, and dispute resolution strategies while analyzing international case studies and best practices.

Programme Curriculum

International Labour Standards and ILO Conventions Training Course

Introduction

International Labour Standards and International Labour Organization (ILO) Conventions play a transformative role in promoting decent work, social justice, human rights at work, and sustainable economic development across global industries. International Labour Standards and ILO Conventions Training Course equips

participants with practical knowledge and strategic skills to interpret, implement, monitor, and enforce International Labour Standards and ILO Conventions in both public and private sector institutions.

The course is designed to address emerging workplace challenges including gig economy regulation, occupational health and safety, forced labour prevention, gender equality, collective bargaining, migration governance, and future of work policies. Participants will gain deep insights into labour rights frameworks, compliance mechanisms, labour inspection systems, and dispute resolution strategies while analyzing international case studies and best practices.

Course Duration

5 days

Course Objectives

By the end of this training course, participants will be able to:

1. Analyze key International Labour Standards and global labour compliance frameworks.
2. Interpret major ILO Conventions and their practical workplace applications.
3. Strengthen ESG and sustainability compliance through labour governance systems.
4. Develop effective human rights due diligence and ethical sourcing strategies.
5. Enhance occupational health and safety management systems aligned with international standards.
6. Implement policies on diversity, equity, and inclusion (DEI) in the workplace.
7. Address emerging challenges in the gig economy and remote workforce regulation.
8. Improve organizational capacity for collective bargaining and social dialogue.
9. Identify and prevent forced labour, child labour, and workplace discrimination risks.
10. Design effective labour inspection and compliance monitoring mechanisms.
11. Apply modern approaches to industrial relations and dispute resolution.
12. Integrate future of work strategies into labour policy and workforce planning.
13. Promote sustainable employment practices and decent work principles across industries.

Target Audience

1. Human Resource Managers and Directors
2. Labour Officers and Labour Inspectors
3. Trade Union Representatives
4. Compliance and ESG Professionals
5. Occupational Health and Safety Officers
6. Government Policy Makers and Regulators
7. NGO and Development Organization Staff
8. Corporate Social Responsibility (CSR) and Sustainability Managers
