

Legal Risk Management in Labour Relations Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Legal Risk Management in Labour Relations is designed to equip professionals with advanced competencies in labour law compliance, workplace dispute resolution, employee relations governance, and regulatory risk mitigation. In today's rapidly evolving work environment shaped by gig economy expansion, remote work regulations, ESG compliance, and increasing labour litigation, organizations must proactively manage legal exposure to avoid costly disputes and reputational damage.

This course provides a practical, case-study-based and competency-focused learning experience that strengthens participants' ability to identify, assess, and mitigate labour-related legal risks. It integrates international labour standards, employment legislation frameworks, collective bargaining principles, and organizational policy development to ensure robust workplace compliance systems. Participants will gain actionable skills in conflict resolution, disciplinary procedures, grievance handling, and legal documentation, enabling them to build legally resilient and ethically sound workplaces.
