## Course Introduction

Workplace bullying and harassment remain critical challenges in modern organizational culture, directly impacting employee wellbeing, psychological safety, workplace ethics, productivity, retention, and compliance. Preventing Workplace Bullying and Harassment Training Course is designed to equip organizations with the knowledge and tools needed to build a respectful workplace culture, inclusive leadership practices, zero-tolerance policies, and legally compliant HR frameworks. Participants will explore how toxic behaviors, microaggressions, intimidation, and power abuse undermine organizational performance and damage employer branding.

In today’s evolving workplace landscape driven by remote work dynamics, digital communication risks, diversity and inclusion mandates, and global labor regulations—preventing harassment is not optional but a strategic priority. This course strengthens employee engagement, conflict resolution capabilities, whistleblowing systems, and ethical leadership accountability, ensuring organizations foster safe environments where all employees can thrive without fear of discrimination, retaliation, or psychological harm.
