Programme Curriculum

Training Course on Gender and Entrepreneurship

Training Course on **Gender and Entrepreneurship Training** is designed to empower participants with the knowledge and skills necessary to understand and address the unique challenges and opportunities faced by women entrepreneurs. Women play a crucial role in driving economic growth and innovation, yet they often encounter systemic barriers that hinder their entrepreneurial potential. This course focuses on promoting gender equality in entrepreneurship, enhancing business skills, and fostering a supportive ecosystem for women entrepreneurs.

Participants will engage in interactive workshops, case studies, and practical exercises to develop gender-responsive business strategies and plans. By examining the specific challenges that women face in accessing resources and opportunities, participants will learn how to advocate for policies that support women in entrepreneurship. By the end of the program, participants will be equipped with the tools and knowledge to lead and thrive in their entrepreneurial ventures, contributing to a more inclusive economy.

Course Objectives

1. Understand the relationship between gender and entrepreneurship.
2. Analyze the challenges and barriers faced by women entrepreneurs.
3. Develop gender-responsive business strategies and plans.
4. Engage stakeholders in supporting women entrepreneurs.
5. Advocate for policies that promote gender equality in entrepreneurship.
6. Identify effective marketing and branding strategies for women-led businesses.
7. Enhance financial literacy and access to funding sources.

8. Build networks and mentorship opportunities for women entrepreneurs.
9. Overcome challenges and develop resilience in business.
10. Create action plans to implement gender-responsive initiatives.
11. Explore innovative approaches to entrepreneurship for women.
