

Training Course on Improving Interpersonal Relations at Work

Professional Development Training Course Outline

Category	General Training	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s fast-paced corporate environment, effective interpersonal communication is more than just a soft skill—it’s a key factor in workplace productivity, collaboration, and employee satisfaction. The ability to build trust, manage conflicts, and foster team cohesion is essential for creating a healthy and thriving organizational culture. Training Course on Improving Interpersonal Relations at Work is strategically designed to help professionals enhance interpersonal relationships, drive performance, and reduce workplace stress through evidence-based communication techniques and emotional intelligence strategies.

Through engaging lessons, real-life scenarios, and interactive activities, participants will gain a deeper understanding of non-verbal cues, active listening, empathy, and constructive feedback mechanisms. Whether you're a team leader, HR professional, or employee striving to improve your workplace relationships, this course offers tools and techniques to transform your interpersonal approach and foster collaborative excellence.
