

Training Course on Influence and Persuasion in Leadership

Professional Development Training Course Outline

Category	Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Influence and persuasion are critical leadership skills that drive organizational success, inspire teams, and foster strategic decision-making. In today's dynamic business environment, leaders must master the art of persuasive communication to motivate employees, negotiate effectively, and build strong stakeholder relationships. Whether leading change, managing crises, or driving innovation, the ability to influence with integrity and communicate with impact separates great leaders from the rest. This training equips leaders with proven strategies in behavioral psychology, emotional intelligence, and strategic messaging to enhance their persuasive abilities.

This course explores advanced techniques in negotiation, storytelling, credibility-building, and decision-making to help leaders navigate complex leadership challenges. Participants will learn how to craft compelling messages, handle resistance, and align persuasion techniques with organizational goals. Through real-world case studies, interactive simulations, and expert-led discussions, leaders will gain the skills needed to inspire action, strengthen relationships, and create lasting impact. This course empowers leaders to enhance their influence, build trust, and achieve strategic objectives with confidence.
