

Training Course on Leading with Emotional Intelligence

Professional Development Training Course Outline

Category	Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's dynamic and high-pressure corporate landscape, emotional intelligence (EQ) has emerged as a cornerstone of effective leadership. Leaders who master emotional intelligence are better equipped to build trust, manage stress, resolve conflict, and foster a collaborative work culture. This training course offers a deep dive into the principles and practices of EQ leadership, empowering professionals to connect authentically, inspire their teams, and drive organizational success.

Training Course on Leading with Emotional Intelligence is designed to enhance self-awareness, promote empathy, improve interpersonal skills, and build resilience in leadership roles. Participants will gain actionable tools, techniques, and strategies to navigate complex emotional scenarios, enhance employee engagement, and make emotionally intelligent decisions that align with both business goals and personal values.

Programme Curriculum

Training Course on Leading with Emotional Intelligence

Introduction

In today's dynamic and high-pressure corporate landscape, emotional intelligence (EQ) has emerged as a cornerstone of effective leadership. Leaders who master emotional intelligence are better equipped to build trust, manage stress, resolve conflict, and foster a collaborative work culture. This training course offers a deep dive into the principles and practices of EQ leadership,

empowering professionals to connect authentically, inspire their teams, and drive organizational success.

Training Course on Leading with Emotional Intelligence is designed to enhance self-awareness, promote empathy, improve interpersonal skills, and build resilience in leadership roles. Participants will gain actionable tools, techniques, and strategies to navigate complex emotional scenarios, enhance employee engagement, and make emotionally intelligent decisions that align with both business goals and personal values.
