

Training Course on Legal and Ethical Issues in Education HR Management

Professional Development Training Course Outline

Category	Educational Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s complex educational landscape, HR professionals and educational administrators must possess a strong understanding of legal compliance, ethical decision-making, and human resources best practices. As schools, colleges, and universities become more diverse and regulated, the potential for legal disputes and ethical dilemmas grows. Training Course on Legal and Ethical Issues in Education HR Management empowers participants to proactively navigate legal requirements and uphold the highest standards of professional ethics.

This course integrates real-world case studies, emerging HR trends in education, and compliance mandates including labor laws, discrimination laws, and privacy regulations. Participants will gain actionable insights into handling staff misconduct, student rights, hiring policies, and data confidentiality, ensuring they lead their institutions with integrity and accountability.

Programme Curriculum

Training Course on Legal and Ethical Issues in Education HR Management

Introduction

In today’s complex educational landscape, HR professionals and educational administrators must possess a strong understanding of legal compliance, ethical decision-making, and human resources best practices. As schools, colleges, and universities become more diverse and regulated, the potential for legal disputes and ethical dilemmas grows. Training Course on Legal and Ethical Issues in Education HR Management empowers participants to proactively navigate legal requirements and uphold the highest standards of professional ethics.

This course integrates real-world case studies, emerging HR trends in education, and compliance mandates including labor laws, discrimination laws, and privacy regulations. Participants will gain actionable insights into handling staff misconduct, student rights, hiring policies, and data confidentiality, ensuring they lead their institutions with integrity and

accountability.

Course Objectives
