

Training Course on Scrutiny of Subsidiary Legislation for Parliamentary Committees

Professional Development Training Course Outline

Category	Development	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

The effective scrutiny of subsidiary legislation is essential for ensuring transparency, accountability, and adherence to legal and regulatory frameworks within parliamentary processes. Training Course on Scrutiny of Subsidiary Legislation for Parliamentary Committees is designed to equip parliamentary committee members and staff with the skills and knowledge necessary to effectively analyze and evaluate subsidiary legislation. This comprehensive program focuses on the principles of legislative oversight, the roles of committees, and best practices for scrutinizing subordinate legislation.

Participants will explore the legislative process, gain insights into the legal frameworks governing subsidiary legislation, and develop practical skills for conducting thorough reviews. Through case studies and practical exercises, attendees will learn how to enhance the effectiveness of parliamentary oversight and ensure that subsidiary legislation aligns with legislative intent and public interest.
