

Training Course on Small Business Retirement Solutions

Professional Development Training Course Outline

Category	Pension and Retirement	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Training Course on Small Business Retirement Solutions is designed to provide business owners, HR professionals, and financial advisors with the knowledge and tools necessary to implement effective retirement plans for small businesses. As small businesses face unique challenges in attracting and retaining talent, offering a robust retirement solution can significantly enhance their competitive advantage and support employee financial well-being. This course will explore various retirement plan options tailored to small businesses, including SIMPLE IRAs, SEP IRAs, and 401(k) plans. Participants will learn about the regulatory landscape, funding strategies, and best practices for plan administration. Emphasizing the importance of financial literacy, the course will also cover effective communication strategies to help employees understand and engage with their retirement benefits. Through a combination of theoretical insights, real-world case studies, and practical applications, attendees will engage in interactive discussions and hands-on exercises. By the end of the course, participants will have a comprehensive understanding of how to design, implement, and manage retirement solutions that meet the needs of small businesses and their employees.

Programme Curriculum

Training Course on Small Business Retirement Solutions

Introduction

Training Course on Small Business Retirement Solutions is designed to provide business owners, HR professionals, and financial advisors with the knowledge and tools necessary to implement effective retirement plans for small businesses. As small businesses face unique challenges in attracting and retaining talent, offering a robust retirement solution can significantly enhance their competitive advantage and support

employee financial well-being.

This course will explore various retirement plan options tailored to small businesses, including SIMPLE IRAs, SEP IRAs, and 401(k) plans. Participants will learn about the regulatory landscape, funding strategies, and best practices for plan administration. Emphasizing the importance of financial literacy, the course will also cover effective communication strategies to help employees understand and engage with their retirement benefits. Through a combination of theoretical insights, real-world case studies, and practical applications, attendees will engage in interactive discussions and hands-on exercises. By the end of the course, participants will have a comprehensive understanding of how to design, implement, and manage retirement solutions that meet the needs of small businesses and their employees.
