

Workplace Relations & Employee Engagement Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Workplace Relations and Employee Engagement are critical drivers of organizational performance in today's evolving hybrid work environment, where employee expectations, digital transformation, and organizational culture are rapidly reshaping how businesses operate. Strong workplace relations foster trust, psychological safety, conflict resolution, and compliance with labor laws, while employee engagement ensures higher productivity, reduced turnover, and improved job satisfaction. Organizations that invest in these areas consistently achieve better outcomes in talent retention, performance management, and organizational agility.

Workplace Relations & Employee Engagement Training Course is designed to equip HR professionals, managers, and team leaders with practical, evidence-based strategies to build a positive workplace culture, strengthen employee experience (EX), and improve industrial harmony. It integrates modern concepts such as DEI (Diversity, Equity & Inclusion), emotional intelligence, leadership communication, and data-driven HR analytics to help organizations create a resilient and engaged workforce. Participants will gain actionable skills to manage workplace dynamics, resolve conflicts effectively, and foster a culture of continuous engagement and collaboration.
